

### Visit reservation

Attention! If you wish to lodge an application to issue (renew) a residence permit, you will be able to book an appointment only after you fill in the application to issue (renew) a residence permit. You may start filling the application [here](#).

All services to foreigners are provided by pre-registration only.

You can book visit time for a pre-visit migration service at any of the listed Migration Departments unit, regardless of your declared (planned) residence.

Only persons indicated in the registration form will receive services upon pre-registration. If the person for the visit is registered by an authorized representative, it is necessary to indicate the data of the person who wishes to receive the migration service and not the authorized representative. The contact details of the authorized representative can be specified in the Remarks field.
